Add another \$20.00 when electricity is provided to an outside space.

Outside space is a piece of ground to set up on – no cover is provided.

We have many outside spaces without electricity! You'll have a better chance of getting a space, especially the closer to Fair we get, if you can get along without electricity.

Food Concessions

Outside Space Only – You must have your own set up.

Price: \$400.00 or 18% of gross sales – whichever is greater.

Insurance is required.
