Part 1 -Page 4 typo – he should be the (Sorry, I'm an English major)

Otherwise it is very clear and concise and well written. I like that fact that most of the suggestions are to clarify, simplify and define more clearly. In this way we will know what can and cannot be done. Unfortunately, what worked 40 years ago just doesn't work now. It is a fact that we must accept. Also the more consistent with state documents hopefully means that Clallam County will be the designator and controller of our shores, not the state.
