This map is intended to serve as a guide to the general location of shorelands subject to the Draft Clallam County Shoreline Master Program (SMP) dated November 2012. The mapped shoreline environmental designations (SEDs) shown are based on the purposes and criteria in the Draft SMP (Chapter 2). Map information is from multiple sources; accuracy is limited, and map layers may not align with each other. At this scale, the map location may be several hundred feet from its true location on the ground. Inaccuracies and data omissions may exist, and Clallam County implies no warranties or guarantees regarding any aspect of data depiction.

Legend

- Natural
- Recreation Conservation
- Shoreline Residential Conservation
- Shoreline Residential Intensive
- Marine Waterfront
- Aquatic * including saltwater
