

To All Officials regarding: Applicant: Taylor Shellfish Farms, Adjacent Property Owner: Jarpa

Location: Dungeness Bay LAT/LONG: 123*7'26.76"W48*9'34.11"N

Proposed Project: Dungeness Bay Shellfish Farm IN: Dungeness Bay NEAR/AT: Sequim COUNTY: Clallam STATE: Wa

Geoduck Farm permit issuance areas to be investigated and reported back to owners.

Send to Jim Mc Entire, County Council. May also want to notify SEPA regarding these concerns prior to issuing of permit in our Pristine bay on the mouth of a river, next to a wildlife preserve, in conjunction with a State project to develop 3 Crabs restaurant land for Fish and Wildlife use spending extensive amounts of money to develop the land, water and roads involved.

Items brought up at the meeting January 10, 2014 and suggested concern owners ask for further information before issuing a permit.

*Baseline Study for sediment ratios

*Where are we in the SEPA plan with regard to the permit

Request Notification on this project on a regular basis

*Full Environmental impact statement sent to all property surrounding proposed sight

*How will this affect Crabbing AS CRABS are a major predator of the Geoduck. Dungeness Crab are

native to this land, water, environment, how will this farm affect that natural resource.

*Other natural wild life will be impacted by the plastic tubes that deteriorate, drift in storms, and nets that catch all manner of natural creatures in the area I.E. birds, fish, seals.

*How this farm would impact the Current States Shoreline restoration project

*How will this impact the Delta's especially at the Dungeness River Mouth

*How will this impact the wild life preserve already located in the area

*Have shell fish advisories been considered in the studies, The tides, currents and high waves and waters during winter storms and the debris created by the farm. Invasion of personal property and beaches by those sent to clean up.

*Harvesting process with pressure water digging up deeply buried water impurities, pollutants affecting eco-system.

*The intrusion of privacy by the lights, noise, machines on the beach and other impact on our private community by having commerce in our area.

Once all this issues have been addressed and studied, all results are requested to be sent to:

Dungeness Beach Estates Owners Association 1281 3 Crabs Rd. Sequim WN 98382.

Richard Holdren, President

Respectfully,

Diane Holdren, Secretary
