Are you a shoreline property owner?
☐ Yes - Water Body: Dungeness Bay
☐ No, but I'm interested in these shoreline areas:

Comments:

I do not believe the Goose Duck Farm can be protected from the new storms we get. Their protection devices will be all over the beach. I cannot even keep my 30 ft Hi flag flying in storms. I look at the tree farm adjacent to the old school house and see all the blue tubes thrown about and that area is protected. And then netting over that!! Wow - what people will do for money!
