This map is intended to serve as a guide to the general location of shorelands subject to the Draft Clallam County Shoreline Master Program (SMP) dated November 2012. The mapped shoreline environmental designations (SEDs) shown are based on the purposes and criteria in the Draft SMP. As of fall 2012, the draft SMP is in draft form only, and the shoreline environmental designations in this map may not be consistent with those included in the final version of the SMP. As such, the map location may be several hundred feet from the true location on the ground. Data inputs and map connections may vary and Clallam County implies no responsibility or guarantee respecting any aspect of data depicted.
