COMMENTS AND RECOMMENDATIONS FOR CLALLAM COUNTY SMP UPDATE

1. TAKING OF PRIVATE PROPERTY FOR PUBLIC SHORELINE ACCESS

Statistics taken from
Clallam County future land use map
79.2 % of Clallam County is PUBLIC LAND
17.1% or less of Clallam County is PRIVATE PROPERTY
3.7% other

79.2% (or more) of Clallam County is PUBLIC LAND and it's SHORELINES are available for PUBLIC ACCESS.

My public comment and recommendation for the SMP update is that no additional private property be taken for PUBLIC SHORELINE ACCESS.

Any additional PUBLIC SHORELINE ACCESS on private property shall be strictly on a volunteer basis and not as a requirement for permits.

Owning 79.2% of Clallam County, the Olympic National Park, National Forest Lands and the Dept of Natural Resources should be encouraged to provide PUBLIC SHORELINE ACCESS.
