

NonDepartmental - Trial Court Improvements 19913.291.

Mission Statement

Our goal is to serve the needs of County constituents as responsible caretakers of taxpayer dollars.

Function

In 2005 the Washington State Legislature created trial court improvement accounts. These accounts are funded by counties and qualifying cities in amounts equal to that received by the county or city as partial reimbursement for district court and municipal judges' salaries. These funds are to be used to fund improvements to superior, district, and municipal court staffing, programs, facilities, or services as appropriated by the county or city legislative authority.

Goals

1. Continue to follow the recommendations of the Law and Justice Committee. It was their decision to use these funds to partially fund a Court Security Officer.
2. Remit the required Trial Court Improvement Account annual report to the Board for Judicial Administration in a timely manner to ensure continued payments.
