

Health and Human Services - Environmental Health 00100.511.

Mission Statement

Clallam County Health and Human Services (CCHHS) is dedicated to promoting and protecting the health, safety, and quality of life for all people in Clallam County.

Function

- Community Involvement: Actively involved in the watershed plan implementation and water resources/ground and surface water protection.
- Monitoring Public Health Threats: A monitoring and reporting process is maintained to identify emerging threats to the public's health. Investigation and control procedures are in place and actions documented. Compliance with regulations is sought through education, information, investigation, permit/license conditions, and appropriate enforcement actions. This includes inspections of food service establishments, on-site septic systems, water recreation area, solid and hazardous waste monitoring. Environmental Health provides water system and water laboratory services to further this mandate.
- Program Planning and Evaluation: Environmental health programs and activities identify specific goals, objectives, and performance measures and establish mechanisms for regular monitoring, reporting, and use of results.

Goals

1. Ensure safe food, water, and environmental factors to protect public health
2. Work to have all shellfish harvest areas in the County designated as "Approved" by Department of Health.
3. Continue to coordinate land-development actions with the Clallam County Department of Community Development.
