Mission Statement

The Juvenile and Family Services Department is committed to providing quality, innovative, comprehensive, and effective services to youth, families, and the community. Clallam County Juvenile and Family Services will provide prevention, treatment, and accountability services to youth and families within budgetary limits.

Function

The Juvenile and Family Services Department provides comprehensive services to youth, families, schools, the community, and Juvenile Justice System. The Department is responsible for maintaining the balance between community protection, treatment, and accountability for youth arrested for criminal activity, who have been abused, neglected, at risk youth, and truant. The Department provides support to the Superior Court, operates a juvenile corrections facility including a secure unit for crisis residential placement, probation, diversion services including Teen Court; a non-offender unit services truants, at-risk youth, abused and neglected children; and CASA/GAL's (Court Appointed Special Advocates/Guardian ad Litem) assigned to dependencies. True Star Behavioral Health, a licensed and certified agency providing drug/alcohol and mental health treatment, is also operated by the Department.

Goals

1. Provide for continued staff training to assist staff in their work with children, youth, parents, and the community.
2. Reduce the liability of the Juvenile Department and Clallam County by: (a) continuing to improve the immediate and effective intervention of court services involving children who have been abused, abandoned or neglected (dependency) by maintaining the volunteer program thereby reducing the number of youth per caseload of non-offender Court Services Officers. (b) Maintaining the number of youth on the offender supervision caseloads to 50 or less by restructuring to lessen impacts of budget reductions. (c) Adhering to professional standards and training.
3. Continue to evaluate effectiveness of Juvenile Programs and make changes as needed.
4. Continue to improve services to youth in corrections through the medical program, treatment options, and referral to other community services as appropriate.
5. Maintain compliance with federal, state, county, and department training requirements for all staff as budget can accommodate. Training hours may be increased due to required education for continued certification for some staff.
