

Human Resources - Risk Management 50401.461.

Mission Statement

To protect the County against financial consequences of accidental losses which are catastrophic in nature and to preserve the assets and public service capabilities from destruction or depletion; to minimize long term cost to the County of all activities related to identification, prevention and control of accidental losses and the consequences, and to assist departments in the establishment of a safe work environment in which employees, as well as members of the general public, can enjoy safety and security in the course of their daily activities.

Function

Administer the County's self-insured workers compensation program, participate in the Washington Counties Risk Pool, insurance procurement, safety and health programs, loss control, claims handling, accident investigation, adjusting services, and countywide employee orientation and training. This division is funded through Workers Compensation and Risk Management internal service funds.

Goals

1. Insure or transfer as much potential risk and loss by ensuring that policies of coverage are purchased and in place prior to expiration dates.
2. Track and enforce insurance requirements and compliance of vendors and contractors.
3. Update Loss Control and Risk Management Guidelines.
4. Track accidents and incidents to identify trends and environments/procedures requiring change.
5. Provide countywide training for preventative, proactive approach to workforce management and to assure compliance with statutory regulations and rules.
6. Continue department ergonomics and safety evaluations, administer County compliance with new ergonomics regulations.
