

Parks and Facilities 00100.911.

Mission Statement

Parks: Acquire, develop, and maintain parks for people and the environment.

Facilities: Maintain and operate non-Road or Equipment Rental and Revolving facilities for our citizens, employees, and public users in a safe and cost effective manner.

Function

The Department is responsible for: Acquiring, developing, maintaining, and managing 21 County-owned parks (approximately 752 acres, including tidelands). It is also responsible for maintaining and providing capital project management for the Courthouse Complex with Adult Corrections, Third Street Professional Building, Juvenile and Family Services Facility, Old Juvenile Facility (formerly CIB), Veterans' Center and Annex, and support for other leased facilities. Major tasks include building and grounds cleaning, sanitation, maintenance, facility and equipment repair and improvements, park resource and activity management, capital construction, long-range facility planning, event management, and multi-agency coordination.

Goals

Parks:

1. Maintain and operate all existing county park lands and facilities in a safe, efficient, and effective manner promoting public use wherever and whenever appropriate.
2. Acquire land, conservation futures, or other property rights that meet the park recreation, and open space needs of county citizens and visitors for present and future generations.
3. Develop outdoor recreation programs, when funding is available, that promote outdoor education, and outdoor recreational use of our natural resources.
4. Maintain fee structures for special services that are proportional to the services rendered and maintain basic park services for free, such as trails, picnic areas, and beach access.
5. Encourage, promote, and coordinate volunteer service projects and adopt-a-park programs.
6. Optimize Parks Advisory Board assistance and committee work in overall operations of parks.

Facilities:

1. Keep the physical plant and buildings in compliance with federal, state, and local codes and laws.

2. Through the use of preventative and predictive maintenance systems and programs, delay the need to replace equipment and systems and extend the useful life of costly equipment and buildings.
3. Pursue methods and programs that enhance facility operations in terms of safety, energy efficiency, environment, and employee comfort.
