

Sheriff - Search and Rescue 00100.814.

Mission Statement

The Clallam County Sheriff's Office has a proactive commitment to providing honest, ethical, and quality service to the community with integrity and professionalism. This commitment is focused on the improvement of quality of life for those we serve by delivering the highest possible standard of law enforcement services.

Function

The Clallam County Search and Rescue Program is comprised of mostly civilian volunteers who safely and efficiently respond to emergency situations involving lost, overdue, or imperiled persons requiring help or assistance.

Search and Rescue is now a pilot unit for the Washington State Search and Rescue Core Competency program. This program sets higher standards for Clallam's unit while establishing minimum standardized core competencies and levels of training for Search and Rescue volunteers in Washington State.

Goals

1. Maintain professional personnel by recruiting qualified volunteer candidates into the SAR program.
2. Maintain and replace, as necessary or required, all technical rescue equipment, electronic communications, navigation equipment and modes of Search and Rescue transportation.
3. Ensure quality and focused training for all volunteers and paid Search and Rescue Coordinators.
4. Continue to participate in public awareness and education projects to promote wilderness and outdoor safety.
5. Promote interagency Search and Rescue cooperation and assistance with neighboring units including County, State, and Federal stakeholders.
