

Clallam County

October 12, 2022

New website coming soon

We will soon have a new, redesigned website!

The Clallam County website will be moving to <https://www.ClallamCountyWA.gov> on **Monday, October 17.**

The website addresses for our Clallam County web pages will be changing, as will the look, organization, and features of our site. And, there will be ongoing changes and improvements after launch.

When this change takes place, we will temporarily redirect traffic from <https://www.clallam.net> (the old County homepage) to the new County website.
