

GRAB SAMPLE SITES FOR "SK FECAL" & "PA FECAL" PROJECTS, 2009

DELIVERY TIME: Generally, samples are due at the Environmental Health lab by 2 p.m.; however, Belinda Pero, the lab manager, says that in a pinch, as long as she knows ahead of time, she can even take samples as late as 4 p.m., so get with her if you know you're going to be late: 360-417-2334.
