Chain of Custody / Quality Control Checks:	Initials	Date	Time	Who should perform this step:
Samples and original data sheets submitted to lab (make copies for SK office)				Sampling team
Samples and original data sheets received by lab				Lab staff
Original data sheets received in Streamkeepers office				Streamkeepers staff
Data reviewed for completeness & legibility				Streamkeepers staff
Quality-control review of data				Streamkeepers management
Data entered to spreadsheet				Staff/volunteers

Spreadsheet checked vs. field data sheets

Staff/volunteers
