## INTERLOCAL AGREEMENT FOR CARLSBORG WASTEWATER DISPOSAL

This Agreement ("Agreement") pursuant to RCW 39.34, the Interlocal Cooperation Act, is made by and between City of Sequim, a Washington municipal corporation ("City"), and Clallam County, a political subdivision of the State of Washington ("County") (individually a "Party" and collectively the "Parties"). In consideration of the terms and conditions set forth in this Agreement, the Parties agree as follows:

### Section 1. Recitals

1.1 The City owns and operates a wastewater collection and treatment system ("City System"), including a Wastewater Reclamation Facility ("WRF"), and is authorized pursuant to RCW 35.67.020(1) to provide sewer service to customers and properties located both within and outside of the city limits.

1.2 The County, under its authority granted in RCW 36.94, intends to construct, own, and manage a wastewater collection system ("Carlsborg System") located in the Carlsborg Urban Growth Area, which is located in Clallam County near the City of Sequim.

1.3 The City's WRF currently has available capacity, and the City desires to accept wastewater flows from the Carlsborg System.

1.4 The County has evaluated its options for treating and disposing of wastewater from the Carlsborg System and finds that, given the charges set forth in this Agreement, the most cost-effective method is to discharge the wastewater into the City System and have it be treated by the City's WRF.

1.5 City and County representatives have met and discussed the discharge of wastewater from the Carlsborg System into the City System, including the charges that should be paid by the County to the City for the right to discharge. Both parties are in agreement that the charges, terms and conditions set forth in this Agreement are reasonable and equitable.

1.6 It is the purpose of this Agreement to provide for long-term wastewater disposal, planning and certainty for both the City and the County.

1.7 The Parties now desire to enter into an interlocal agreement pursuant to RCW 39.34, the Interlocal Cooperation Act, for the disposal of wastewater from the Carlsborg System.
