Dave, this would clear the way to get the CCAC on track. I have 2 packets of volunteer paperwork to give you and Mike Schermer to fill out and sign. Hope both of you can make the May 10th meeting. Thanks, see you soon.

Terry,

No we haven't received anything from Dr. Mork yet. I can accept a letter or email from the school saying he is retired and no longer works for the school so he will not be serving as the alternate.

O.K. Thanks. Did you ever get a resignation from Dr. Mork? If not and since he is retired and lives elsewhere can the current Superintendent (Dave Bingham) do that?

Thank you Terry. I ask HR to let me know once your paperwork is received and I can get you appointed to the at-large position.

Loni, please forward this notice of my resignation as the Crescent School representative from the Crescent Community Advisory Counsel to the Board of Commissioners. This will pave the way for the school to appoint a representative, and I intend to seek appointment to an at-large position on the Counsel. My signed packet of required paperwork will be delivered to Human Resources today. Thank you.
